

REASONS TO BELIEVE

Gloria Ferrer Intentionally Differentiates

Over 95% Estate Grown

Over 300 acres of estate vineyards in Carneros, Sonoma. We have control over every part of the winemaking process from vineyards to vinification.

The First Sparkling Winery in Carneros

We are pioneers of this cool-climate region known for and perfectly suited to producing world-class sparkling white.

+100 Year History of Sparkling Winemaking

The Ferrer family has been producing world-class sparkling wine for over a century and they brought this knowledge with them from Spain to Carneros in 1982. We are quality experts in our field.

Sparkling Wine Innovators

The first to bring Champagne clones to CA and conduct clonal trial to improve quality and progression of California Sparkling wine as a whole.

Commitment to Sustainability

Certified sustainable, IWCA member, carbon offsets, Organic Certification in Process.
